

# Your slide deck

```
console.log("1");
```

Console:

```
> presentation@1.0.0 start /Users/ivan/Documents/projects/presentation  
> marp ./courses --server
```

1. Open the file.
2. Find the following code block on line 21:

```
<html>  
  <head>  
    <title>Test</title>  
  </head>
```

3. Update the title to match the name of your website.

Start writing!!!ddd
